THE 'MAR' GOBLET

£ POA

REF: FA1342

Height: 22 cm (8.7")

Diameter: 9.5 cm (3.7")

Description

A highly important goblet of Jacobite significance. The folded foot supporting a triple-knop stem, each with an incased silver coin relating to important dates of the Mar family. The goblet has a flared bucket bowl engraved with Mars the God of War shaking hands with Minerva, with the goddess Fortuna centre and behind. To the sides Masonic tools, war pennants and weapons, with the rear engraved with a stricken oak.
