REF: FA667

Height: 152.5 cm (60")

Diameter: 109.18 cm (43")

Description

The slender tapering stems with slice and diamond cutting, separated by ormolu foliate mounts supporting a palm tree spray. This with cascading drapes to the main band, decorated with ormolu rosettes, issuing eight six-sided candle arms with drop hung van dyke drip pans, supporting hurricane shades of bullet form. The main ring with a graduating basket supported by an ormolu foliate ring, suspending a lapidary cut finial. The chandelier richly draped with double pointed spangles and finely chased ormolu mounts.
